

Greetings

from the Mayor

On behalf of Halifax Regional Council, it gives me great pleasure to extend warm greetings and a special welcome to all attending the Association for Commuter Transportation of Canada Canadian TDM Summit Halifax 2008 national conference taking place at the Halifax Marriott Harbourfront Hotel, October 19 - 22, 2008.

Canadian TDM Summit Halifax 2008 will focus on building partnerships through the five pillars of sustainability – transportation, health, economy, land use and the environment. An educational experience that will provide delegates with the opportunity to network, collaborate and build important links with multi-disciplinary professionals.

I wish to acknowledge our Regional Transportation Division for co-hosting the conference with ACT Canada and recognize the commitment and dedication of the organizers who have worked diligently to ensure its success.

Again, I welcome you to Halifax Regional Municipality and invite you to enjoy all our area has to offer our region's culture is noted for its unique blend of history and tradition, co-existing comfortably with the contemporary. Enjoy!

Respectfully, I remain

Peter J. Kelly
